

TURMERIC KANGEN UKON

Why is Kangen Ukon different?

This is the first supplement ever produced by combining curcumin, Kangen Water® and additive-free essential oils.

The Spring Ukon and Autumn Ukon used are cleaned and sanitized with Strong Kangen Water® and Strong Acidic Water in our Enagic Ukon Factory.

What is Kangen Ukon?

Kangen Ukon product is made with turmeric grown in the rich natural environment of Yanbaru, Okinawa.

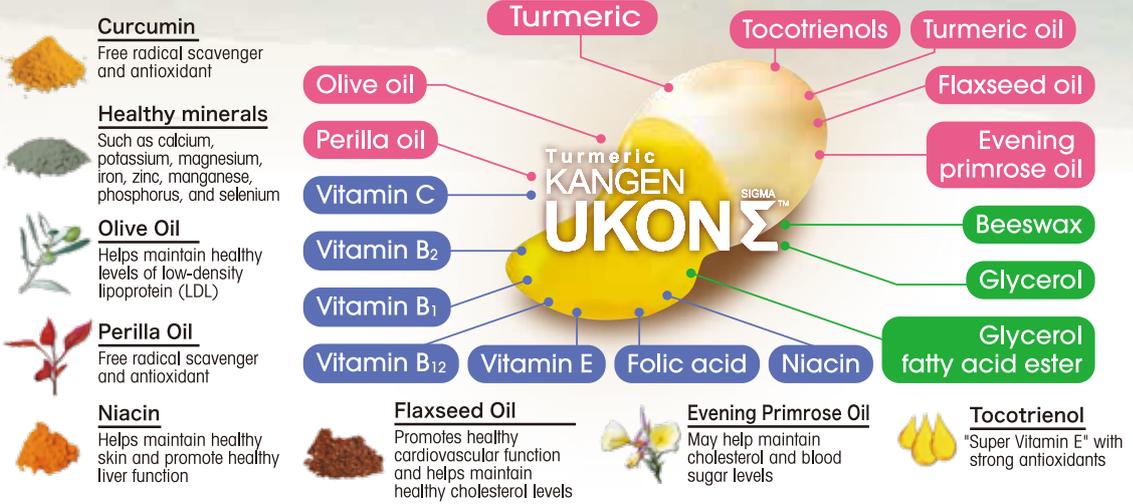

Highly fresh and nutritious dietary supplement in a patented softgel capsule made with alkaline-reduced water.

Vegetarian Kangen Ukon Supplement (450mg x 100 capsules)

World First! Using soft capsules with Kangen water

A dietary supplement containing curcumin-rich turmeric grown in the great nature of Okinawa, and packed with nutrients necessary for your health. Each soft capsule made with alkaline-reduced water, is individually packed using the newest PTP packaging technology to block moisture and prevent oxidation, and is convenient to carry anywhere you go.

Kangen Ukon Tea can be enjoyed cold or hot.

Autumn Turmeric

Autumn turmeric is rich in curcumin. Curcumin improves liver function, reduces cholesterol levels, and helps improve overall health.

Water jug
Pour 1 liter of Kangen water per tea bag and refrigerate it. Stir when it reaches the desired consistency and remove the tea bag.

Kettle
Boil the Kangen water and then turn off the stove. Add 1 tea bag to 1 to 1.5 liters of hot water. Stir for 10 minutes and remove the tea bag.

Tea Pot
Put a tea bag and boiled Kangen water in a teapot. Pour the tea into a mug and enjoy it.

Kangen Ukon soap is made from organic ingredients and it is highly biodegradable and environmentally friendly.

Enagic produces handmade soaps following the traditional method of kettle boiling, and use only natural ingredients. With safety and high quality as a priority, all our products are produced without additives, without mineral oil and without synthetic activators, producing soaps with excellent washing quality.

Kangen Ukon & Honey Soap (80g x 1 soap)

Ukon

Ukon is full of vitamins, minerals and curcumin, which is great for healthy looking skin

Honey

Honey is rich in vitamins, minerals and amino acids, all essential for beautiful skin. It is highly absorbent and moisturizes deep into your skin.

Citrus Depressa

Citrus Depressa contains a variety of nutrients effective for beauty skin, such as vitamin C, B1, carotene, and a range of other beneficial minerals.

Muscovado

Okinawa muscovado is known for its rich in antioxidants and minerals. It also contains excellent moisturizing components, which keeps the skin hydrated and protects it from dryness.
